

Sponsors and partners

Our club is also hugely grateful for the financial and other assistance it gets from a variety of other corporate and charitable bodies. In particular we are delighted to acknowledge funding and equipment received over time, particularly in connection with our work in promoting junior cricket through the "Community Coaching Initiative", the registered charity involved with the delivery of our coaching programme for children and young people at, and importantly outwith, the club.

The undernoted's funding support has, as noted, been vital:

In addition we would want to specifically acknowledge the assistance and advice provided by the Youth Sport Department of Glasgow Council, and Glasgow Sport (formerly Culture & Sport Glasgow). In particular the advice and assistance of Kay Cherrie, David Bickley, Fred Wallace and Kevin West, and the Council's Active Schools Co-ordinators.

Painting and decorating services by Paterson Decorators are also very much appreciated, as are joinery services provided by Stuart Mason and Iain Todd, and metalwork services provided by Jim Whitelaw.
